

LAURIESTON HALL

Family Friendly Week

30th July - 6th August 2012

Come and spend a week at Laurieston Hall in the south-west of Scotland. The well-established, friendly community and beautiful surroundings – including woodland and loch - make this a summer residential to remember.

This is a space to fill with workshops, co-co sessions, support groups, walks, swimming, boating, saunas, music, dancing, cabaret and bonfires. The setting is there – the rest is up to you! This workshop is free from alcohol and recreational drugs.

We will share day-to-day tasks with the residents on a rota basis: for example, food preparation, washing up and working in the garden. The food is vegetarian and home cooked. Vegan and other diets may be available, but must be booked in advance.

The workshop can accommodate 63 people in total, including babies and children. ALL places (including babies) must be booked in advance. Accommodation is in rooms for 4-10 people. Camping is welcome in the grounds and Laurieston Hall can provide a tent if booked in advance.

This is a child-friendly residential with limited places for 0-16s. There is a 'kids club' provided during workshop hours, with places for children aged 3-12 although some young children may need parental support. We plan to offer childcare during support group time (one hour) with a discounted place for someone willing to take this on every day. This person will be supported by people from the rota. If you are interested in this role please contact us.

Laurieston Hall is largely accessible; please contact us for more information.

Costs
